## *Land of Good Vibes*

### kimi

RECHARGEABLE  
FINGER VIBE

lends itself to those who love to touch themselves or be touched. Uniquely designed with a flexible silicone bracelet and removable controller. The controller powers 6 vibration modes with 5 levels of intensity to the finger pods. Simply slide your wrist into the bracelet, slip the two vibrating pods onto your fingers, press the on/off button, pick your vibration mode and let your fingers run wild. Pods are submersible not the controller.
